ERASMUS 2019-1-ES01-KA229-063826

On friday 24th June 2022, starting at 10:30h, during the mobility organized by **Tevfik İleri Anadolu Lisesi**, teachers celebrated the coordination meeting. We were speaking about the following points:

- 1. Activity for this mobility: a final video about impact or changes in our school, due the erasmus Project**
- 2. Mobility tool and the FINAL REPORT**
- 3. Updated etwinning and blog**

1. Activity for this mobility: a final video about impact or changes in our school, due the erasmus Project

The coordinating teacher from Turkey, Adil Tugyan, informs us about the session of students explaining the videos from each country. We will publish all of them in the website of the project

The topic of this mobility is:

C3- THE FUTURE CLASSROOM: INTRAPERSONAL INTELLIGENCE

And it is the FACE TO FACE sesión of the mobility. The other VIRTUAL part was in march 2021 so the rest of the activities were made in that time.

2. Mobility tool and the FINAL REPORT

All activities have been created in the mobility tool platform by the coordinator and each country have to add the details about their mobilities: participants and travels

The turkish coordinator, Adil Tugyan, show the mobility tool and all together, chekc in if we have add our groups, Budget and where is the FINAL REPORT that we have to present from 1 september to 30 october 2022.

3- eTwinning activities : FINAL ASSESSMENT QUESTIONNAIRE

- The last activity in the twinspace will be a FINAL assessment questionnaire that we have to fill in until 31 july 22.
